NOTABLE ACHIEVEMENTS

Global Citizen Young Artist Collective Fall 2023 Season

WARNER MUSIC GROUP

Early Talent Associate | September 2026 - present

Interning on WMX's Retail & Platform Marketing team to coordinate key artist-to-fan experiences including pop-ups, performances, signings, and event exclusive merchandise distribution through the organization and management of several team-wide grids, vast research into the independent record store market, and the creation of various graphics.

NEW YORK STATE MUSIC

Contributing Journalist & Photographer | 2024 - present

Began as a Music Journalism intern in the Fall of 2024 covering editor-delegated press releases, one-sheets, and various live music event news before transitioning the coordinating, shooting, and writing of concert reviews and photo galleries into a long-term contribution role. Consistently developing and maintaining relationships with PR representatives across the industry.

KPOP NARA

Contract Copywriter | December - April 2026

Furthering the expression of KPOP NARA's brand identity into its online presence through developing a language of copy. Responsibilities included brand descriptions, the scripting of artist videos for social media, and templates for customer correspondence.

Storefront Associate | August - December 2025

Combining past retail experience with the multifaceted needs of the specialized K-Pop storefront. Responsibilities spanned album sales and the sale of corresponding pre-order benefits, assisting in official album release pop-ups, and working on rotation as fan engagement and crowd management during fansigns and various other artist engagements.
